A MESSAGE FROM DIEGO SIMON

Hello my name is Diego Simon I was nominated by my school to be in a summer program that could change my life and build my career. This opportunity is for Law and CSI, I've always wanted to be either a Lawyer or a Homicide Detective. Doing this program over the summer will help me grow not just my education but get me started on understanding exactly how it is to be on both sides and decide which field I'd like to build my career in. This program will be held in Washington D.C. I feel doing this will be great since it will also give me college credits! This is an offer I just can't pass by. The reason to why I am trying to raise money is because my family is going through some money issues and we just can't afford it right now. I was introduced to the website GoFundMe.com so that I could make my dream into a reality... I'm not asking for much, even a dollar could help me get to this goal.. Thank you for The time to read this and better understand why I need the money :) God Bless you! Below is a link to my Go Fund Me account.
