Our Mission

To proclaim the everlasting gospel,
To reflect God's character in our lives,
To prepare a people for the soon return of Jesus!

As We Come to You in Prayer

Now, Dear Lord, as we pray,
Take our hearts and minds far away,
From the press of the world all around,
To Your throne where grace does abound.
May our lives be transformed by Your love;
May our souls be refreshed from above.
At this moment, let people everywhere
Join us now as we come to You in prayer.

Hear our prayer, O Lord, Hear our prayer, O Lord.
Incline Thine ear to us, and grant us Thy peace.

We praise the Lord for all that has been done this summer out of our Paradise Church and the training and involvement of our Paradise members. We would like to continue to have THRIVE with us from September of this year until May of 2017. The Lord has helped us to overcome many obstacles so that this can become a reality. The only major obstacle remaining is lodging for these volunteer evangelists during this time. We need lodging for both male and female gospel workers. If you have extra space in your home, please contact the Church Office 702-433-4703, Pastor Neri 702-449-0962, or one of the Elders.

Screening results are provided to you in 21 days. We direct all participants with abnormal results to take the report to their physician. Carotid Artery and PAD screenings help identify the presence of Atherosclerosis, and if found, can be an early warning for higher risks of stroke and coronary artery disease. Such early warning information can help you and your doctor take important steps to reduce your risk for more serious health issues. If necessary, steps may include lifestyle and diet, medical therapies, and even more thorough follow-up testing and evaluation of your heart function. Appropriate modification of risk factors (including high blood pressure, smoking, heart disease, diabetes and poor diet) is also necessary for cardiovascular disease prevention. Our screenings cannot detect all forms of stroke risk or cardiovascular disease. All tests are for screening purposes only. You should consult with your personal physician regarding your screening results. Insurance Note: Life Line Screening does not participate in the Medicare program and the cost of our screening services is not covered or reimbursable by Medicare. Life Line Screening does not file insurance claims nor provide referrals to any physician's group or hospital. Screenings in California are provided by Life Line Mobile Screening, a physician owned practice. Screenings in Kansas are performed by Life Line Screening of America, Ltd. on behalf of Life Line Screening Physicians, P.A. Screenings in New Hampshire, New Jersey and New York are performed by Life Line Medical Screening, LLC (Dr. Andrew Manganaro, 70 Niagara Street, Buffalo NY, 14202). Life Line Screening does not engage in the practice of medicine in those states. This information is not intended to induce referrals by Life Line Screening to Life Line Medical Screening, LLC for any professional medical service. Texas residents: Physician authorization is required. A Life Line Screening affiliated physician will provide authorization for you if you qualify. Cancellation Policy: A full refund is issued if you call to cancel at least two days prior to your appointment. If less than two days' notice is given, we will issue a Gift card for the full amount to be used by you, or anyone you choose, to purchase future screening services.
